country are selling at ruinously low prices. For the past three years our crops have been very short. Large amounts of money have disappeared, leaving, perhaps, less than one-half the amount that was in the country at the close of the war. The searcity of money, the present year, will be ment of affairs must be apparent to many. We enter upon another year's business with many misgivings as to its prosperity, for we regard the commercial horizon rather gloomy; and in view of these facts we deem it proper that we express our firm conviction that our only safety lies in adhering for the future, as in the past, to the Cash system of doing business. Any departure, we are satisfied, will prove hazardous to our interests, nor do we think any basefit would be derived by the community or TERMS, CASH! ests, nor do we think any benefit would be derived by the community; on the contrary, we believe consumers are now buying their goods 15 to 25 per cent cheaper than if the credit system prevailed. We are aware of the difficulty of selling only for cash, as in many instances it is more convenient for the customer to buy on a credit, and it is often hard to say "no," and not give offence, yet realizing as we do, the absolute necessity to us of the prompt cash system, we commence this year with the fixed purpose of making it to the interest of every one to pay promptly, and we hope thus, by substantially offering a premium for the cash, to do away with all desire to obtain even short credits. In this connection it may not be im-
